January 2013

Table of Contents

1	Non-Technical Summary	1
1.1	Introduction	1
1.2	Human Beings and Population	2
1.3	Landscape and Visual Impact	2
1.4	Cultural Heritage	2
1.5	Ecology	3
1.6	Soils and Geology	4
1.7	Water (Hydrology and Hydrogeology)	5
1.8	Material Assets	7
1.9	Air and Climate	10
1.10	Interactions	12
2	Introduction	13
2.1	Preamble	13
2.2	Purpose of the Environmental Report	13
2.3	Outline Description of Project	15
3	Human Beings and Population	31
3.1	Introduction	31
3.2	Methodology	31
3.3	Receiving Environment	31
3.4	Potential Impact	37
3.5	Mitigation	38
3.6	Residual Impact	38
4	Landscape and Visual Impact	39
4.1	Introduction	39
4.2	Methodology	39
4.3	Receiving Environment	40
4.4	Potential Impact	52
4.5	Mitigation	146
4.6	Residual Impact	146
5	Cultural Heritage	147
5.1	Introduction	147
5.2	Methodology	147
5.3	Receiving Environment	155
5.4	Potential Impact	246
5.5	Mitigation	257
5.6	Residual Impact	260
6	Ecology	265
6.1	Introduction	265
6.2	Methodology	267
6.3	Receiving Environment	272
6.4	Potential Impact	312
6.5	Mitigation	334
6.6	Residual Impact	348

7	Soils and Geology	355
7.1	Introduction	355
7.2	Methodology	355
7.3	Receiving Environment	356
7.4	Potential Impact	418
7.5	Mitigation	437
7.6	Residual Impact	463
8	Water (Hydrology and Hydrogeology)	464
8.1	Introduction	464
8.2	Methodology	464
8.3	Receiving Environment	465
8.4	Potential Impact	527
8.5	Mitigation	543
8.6	Residual Impact	569
9	Material Assets	570
9.1	Traffic	570
9.2	Waste	582
9.3	Utilities	585
10	Air and Climate	589
10.1	Introduction	589
10.2	Methodology	589
10.3	Receiving Environment	589
10.4	Potential impact	591
10.5	Mitigation Measures	594
10.6	Residual Impacts	594
10.7	Noise	594
11	Interactions	607
11.1	Introduction	607
11.2	Matrix of Interactions	607
11.3	Human Beings and Population	609
11.4	Ecology	609
11.5	Soils and Geology	609
11.6	Water (Hydrology and Hydrogeology)	609
11.7	Noise	609
11.8	Landscape	609
11.9	Cultural Heritage	609
11.10	Cumulative Effects of Interactions	610
12	Schedule of Commitments	611
12.1	Human Beings and Population	611
12.2	Landscape	611
12.3	Cultural Heritage	611
12.4	Ecology	614
12.5	Soils and Geology	622
12.6	Water Hydrology and Hydrogeology	647
12.7	Material Assets	672
12.8	Air and Climate	674
	References and Bibliography	676

List of Appendices

Appendix to Section 3: Human Beings and Population

- Appendix 3.1 Electromagnetic Field (EMF) Report
- Appendix 3.2 ESB/IFA Code of Practice for Survey, Construction & Maintenance of Overhead Lines in relation to the Rights of Landowners

Appendix to Section 4: Landscape and Visual Impact

- Appendix 4.1 A3 Photomontages

Appendices to Section 5: Cultural Heritage

- Appendix 5.1 Unit 5 Photographic Record
- Appendix 5.2 Unit 6 Ballyragget-Kilkenny Photographic Record
- Appendix 5.3 Unit 8 Athy-Portlaois Photographic Record
- Appendix 5.4 Placenames and their meanings along the reinforcement project
- Appendix 5.5 Code of Practice between the Department of the Environment, Heritage and Local Government and EirGrid
- Appendix 5.6 Topographical Files from the National Museum of Ireland
- Appendix 5.7 Excavations Bulletins

Appendices to Section 6: Ecology

- Appendix 6.1 Winter Bird Surveys
- Appendix 6.2 Natura Impact Statement
- Appendix 6.3 Habitats Maps
- Appendix 6.4 Plant Species List
- Appendix 6.5 Plates 1-16

Appendix to Section 7: Soil and Geology

- Appendix 7.1 Laois - Kilkenny Reinforcement Project - Coolnabackey 400kV Substation and Ballyragget 110kV Substation - Factual Report on Ground Investigation

Appendix to Section 8: Water (Hydrology and Hydrogeology)

- Appendix 8.1 Desktop Hydrogeological Assessment, Proposed Coolnabackey 400-110kV GIS Substation, Co. Laois

Appendices to Section 9: Material Assets

- Appendix 9.1 AECOM Transportation: Traffic Count Data
- Appendix 9.2 AECOM Transportation: Coolnabackey Feasibility Report
- Appendix 9.3 AECOM Transportation: Ballyragget Feasibility Report
- Appendix 9.4 AECOM Transportation: Road Safety Audit - Coolnabackey
- Appendix 9.5 AECOM Transportation: Road Safety Audit - Ballyragget

Appendix to Section 10: Air and Climate

- Appendix 10.1 Biospheric Engineering Ltd.: Noise Report

List of Tables

Table 2.1 Study Team Commissioned to Prepare this Report.....	15
Table 3.1 Population Structure at National, Regional and Local Level	32
Table 3.2 RPG Population targets.....	32
